

- Screwless Plate
- 2.1A Dual Shared USB Output
- 5V USB Output
- Black Nickel Finish
- Height: 91mm Width: 151mm

| Product Specification Data              |   | Revision Date: 15/10/2021 |
|---|---|---------------------------|
| Product Standard/s                      | BS 1363-3                                 |                           |
| Terminal Capacity L&N                   | 3 x 1.5, 3 x 2.5, 2 x 4.0 mm <sup>2</sup> |                           |
| Terminal Capacity E                     | 3 x 1.5, 3 x 2.5, 2 x 4.0 mm <sup>2</sup> |                           |
| CE Conformity                           | Yes                                       |                           |
| WEEE Symbol                             | Yes                                       |                           |
| G Mark                                  | Yes                                       |                           |
| UKCA Conformity                         | Yes                                       |                           |
| Operating voltage                       | 250 V                                     |                           |
| Frequency                               | 50 Hz                                     |                           |
| Max. output current                     | 2100 mA                                   |                           |
| Output voltage                          | 5 V                                       |                           |
| Mounting method                         | Surface mounted (plaster)                 |                           |
| Colour                                  | Other                                     |                           |
| Min. depth of built-in installation box | 35 mm                                     |                           |

Although every effort has been made to ensure accuracy in the compilation of the technical detail within this datasheet, specifications and performance data are constantly changing. Latest details can be obtained from the Electrium website.
