

- Screwless Plate
- Metal Plate
- Satin Chrome Finish

| Product Specification Data         |                 | Revision Date: 16/08/2022 |
|------------------------------------|-----------------|---------------------------|
| Product Standard/s                 | BS5733          |                           |
| Printing                           | Cooker          |                           |
| CE Conformity                      | Yes             |                           |
| WEEE Symbol                        | Yes             |                           |
| G Mark                             | No              |                           |
| Number of units                    | 1               |                           |
| Mounting direction                 | Vertical        |                           |
| With mounting grid                 | No              |                           |
| Flush-mounted installation         | Yes             |                           |
| Suitable for floor box             | No              |                           |
| Suitable for built-in installation | Yes             |                           |
| Material                           | Metal           |                           |
| Material quality                   | Other           |                           |
| Halogen free                       | Yes             |                           |
| Surface protection                 | Brushed         |                           |
| Surface finishing                  | Matt            |                           |
| Colour                             | Stainless steel |                           |
| Degree of protection (IP)          | IP2X            |                           |
| Impact strength                    | IK02            |                           |
| Type of fastening                  | Engage (snap)   |                           |
| Width                              | 148 mm          |                           |
| Height                             | 88 mm           |                           |
| Depth                              | 3 mm            |                           |

Although every effort has been made to ensure accuracy in the compilation of the technical detail within this datasheet, specifications and performance data are constantly changing. Latest details can be obtained from the Electrium website.
