

## List No. 8510/SS FLAT PLATE DECORATIVE

Shaver Socket Dual Voltage Plate Stainless Steel Finish

- Metal Plate
- Stainless Steel Finish

| roduct Specification Data                  | Revision Date: 15/ | 10/2021 |
|--|--------------------|---------|
| Product Standard/s                         | BS 5733            |         |
| CE Conformity                              | Yes                |         |
| UKCA Conformity                            | Yes                |         |
| Number of units                            | 1                  |         |
| Mounting direction                         | Vertical           |         |
| Number of modules vertical (module system) | 1                  |         |
| Number of gangs                            | 2                  |         |
| With mounting grid                         | No                 |         |
| Suitable for flush-mounted installation    | Yes                |         |
| Suitable for floor box                     | No                 |         |
| Suitable for built-in installation         | Yes                |         |
| Material                                   | Metal              |         |
| Material quality                           | Stainless Steel    |         |
| Halogen free                               | Yes                |         |
| Surface protection                         | Brushed            |         |
| Surface finishing                          | Matt               |         |
| Colour                                     | Stainless Steel    |         |
| Degree of protection (IP)                  | IP2X               |         |
| Impact strength                            | IK02               |         |
| Type of fastening                          | Screw mounting     |         |
| Width                                      | 86 mm              |         |
| Height                                     | 146 mm             |         |
| Depth                                      | 1.5 mm             |         |

Although every effort has been made to ensure accuracy in the compilation of the technical detail within this datasheet, specifications and performance data are constantly changing. Latest details can be obtained from the Electrium website.
