

- Accessory for Alpha BSIII Panel Boards
- Maximum cable lug connection/busbar 32mm wide
- Supplied complete with all fixings, including clamps shroud and labelling, along with installation instruction

#### Product Specification Data

Revision Date: 29/09/2023

|                              |                          |
|------------------------------|--------------------------|
| Type of accessory/spare part | Power current connection |
| CE Conformity                | Yes                      |
| WEEE Symbol                  | Yes                      |
| UKCA Conformity              | Yes                      |
| Amperage                     | 630 A                    |
| Pole Configuration           | 4P                       |
| Busbar type                  | Solid Copper             |

Although every effort has been made to ensure accuracy in the compilation of the technical detail within this datasheet, specifications and performance data are constantly changing. Latest details can be obtained from the Electrium website.
