

- Accepts 1 Gang Accessory
- Optional Knockouts

| Product Specification Data                      |                         | Revision Date: 07/10/2022 |
|---|-------------------------|---------------------------|
| Product Standard/s                              | BS 5733                 |                           |
| LRV Value                                       | 74                      |                           |
| CE Conformity                                   | Yes                     |                           |
| UKCA Conformity                                 | Yes                     |                           |
| Assembly arrangement                            | Surface mounted housing |                           |
| Suitable for modular domestic switching devices | Yes                     |                           |
| Number of units                                 | 1                       |                           |
| Mounting direction                              | Vertical                |                           |
| Material  | Metal                   |                           |
| Material quality                                | Other                   |                           |
| Halogen free                                    | Yes                     |                           |
| Surface protection                              | Other                   |                           |
| Surface finishing                               | Glossy                  |                           |
| Colour  | Grey                    |                           |
| With cover frame                                | No                      |                           |
| With cable entry                                | Yes                     |                           |
| Degree of protection (IP)                       | IP2X                    |                           |
| Depth of device                                 | 36 mm                   |                           |

Although every effort has been made to ensure accuracy in the compilation of the technical detail within this datasheet, specifications and performance data are constantly changing. Latest details can be obtained from the Electrium website.
