## List No. EPX306/3D/GL <br> ELYPSE

13A 2 Gang DP Switched Socket with Neon Gold Finish

- Smooth and slimline profile
- Clip on front plate for clean screwless aesthetic
- Gold Finish

| Product Standard/s | BS 1363-2 |
| :--- | :--- |
| Frequency | 50 Hz |
| CE Conformity | Yes |
| WEEE Symbol | Yes |
| G Mark | Yes |
| UKCA Conformity | British Standard |
| Model | No |
| Protective contact | N |
| Number of active pins (round) | No |
| Number of active pins (flat) | No |
| With signal lamp | 0 |
| With built-in USB power supply | 2 |
| Number of units | 2 |
| Number of modules (module system) | Other |
| Number of socket outlets switchable | Screwed terminal |
| Number of phases | No |
| Imprint/indication | Yes |
| Connection type | Yes |
| With hinged lid | Gold |
| With enhanced contact protection | No |
| Label spacelinformation surface | Yes |
| Colour | No |
| Lockable | No |
| Insulated mounting | No special power supply |
| With function lighting | Surface mounted (plaster) |
| Fault current protection | Mounting with screw |
| Special power supply |  |
| Mounting method |  |
| Type of fastening |  |

Although every effort has been made to ensure accuracy in the compilation of the technical detail within this datasheet, specifications and performance data are constantly changing. Latest details can be obtained from the Electrium website.

| Product Specification Data (cont) |  | Revision Date: 15/10/2021 |
| :--- | :--- | :--- |
| Material | Plastic |  |
| Material quality | Other | Yes |
| Halogen free | Other |  |
| Surface protection | Glossy |  |
| Surface finishing | Yes |  |
| Anti-bacterial treatment | Yes |  |
| With on/off switch | 13 A |  |
| Nominal current | 250 V |  |
| Nominal voltage | IP2X |  |
| Suitable for degree of protection (IP) | IK02 |  |
| Impact strength | 146 mm |  |
| Width of device | 86 mm |  |
| Height of device | 35 mm |  |
| Min. depth of built-in installation box |  |  |
