

## List No. EPX491

Orange Neon Lens Grid Module

• Clip-in fitting for quick and easy installation

| Product Specification Data        | Revision Date: 15/1 | 0/2021 |
|-----------------------------------|---------------------|--------|
| Product Standard/s                | BS 5733             |        |
| CE Conformity                     | Yes                 |        |
| UKCA Conformity                   | Yes                 |        |
| Wiring system                     | Other               |        |
| Method of operation               | Other               |        |
| Assembly arrangement              | Basic element       |        |
| Number of modules (module system) | 1                   |        |
| Push button switch                | No                  |        |
| Number of rockers                 | 0                   |        |
| Mounting method                   | Module frame        |        |
| Type of fastening                 | Screw mounting      |        |
| With mounting plate               | No                  |        |
| Material                          | Plastic             |        |
| Material quality                  | Thermoplastic       |        |
| Halogen free                      | Yes                 |        |
| Surface protection                | Other               |        |
| Surface finishing                 | Glossy              |        |
| Colour                            | White               |        |
| Illumination                      | Yes                 |        |
| Function lighting                 | Other               |        |
| Type of lighting                  | Not included        |        |
| Nominal voltage                   | 250 V               |        |
| Connection type                   | Screwed terminal    |        |

Although every effort has been made to ensure accuracy in the compilation of the technical detail within this datasheet, specifications and performance data are constantly changing. Latest details can be obtained from the Electrium website.
