

List No. NHVA4250DC

NH VM160

Incoming direct connection kit 250A

- For use with NH VM160 Panel Boards
- Maximum cable lug connection/busbar 24mm wide
- Supplied complete with all fixings, including clamps shroud and labelling, along with installation instruction

Product Specification Data

Revision Date: 02/08/2022

Type of accessory/spare part	Power current connection
CE Conformity	Yes
WEEE Symbol	Yes
UKCA Conformity	Yes
Amperage	250 A
Pole Configuration	4P
Busbar type	Solid Copper

Although every effort has been made to ensure accuracy in the compilation of the technical detail within this datasheet, specifications and performance data are constantly changing. Latest details can be obtained from the Electrium website.
