

List No. NMDLBK

Visor Locking Kit for Duplex Consumer Units

- Duplex Consumer Unit Locking Kit (requires the addition of a padlock, a Wylex option is WPL)
- A secure temporary locking method supporting safe working and secure isolation
- Suitable for all Wylex Duplex Consumer Unit sizes
- 4 or 8mm Apertures accommodate differing padlock shackle sizes
- Visors should not be locked during normal service. Access to switching devices is essential at all times except when locked for maintenance or repair works.
