

## List No. VG3206SG

6 & 8 Gang Surface/Flush Installation Box 40mm Depth

Accepts 6 or 8 Gang Grid Accessory

| roduct Specification Data                       | Revision Date: 15/10/202 |
|---|--------------------------|
| Product Standard/s                              | BS 5733                  |
| LRV Value                                       | 73                       |
| CE Conformity                                   | Yes                      |
| UKCA Conformity                                 | Yes                      |
| Assembly arrangement                            | Surface mounted housing  |
| Suitable for modular domestic switching devices | Yes                      |
| Number of modules (module system)               | 8                        |
| Number of units                                 | 1                        |
| Mounting direction                              | Vertical                 |
| Material  | Plastic                  |
| Material quality                                | Other                    |
| Halogen free                                    | Yes                      |
| Surface protection                              | Other                    |
| Surface finishing                               | Glossy                   |
| Colour  | Grey                     |
| With cover frame included                       | No                       |
| With cable entry                                | Yes                      |
| Degree of protection (IP)                       | IP2X                     |
| Width of device                                 | 133 mm                   |
| Height of device                                | 133 mm                   |
| Depth of device                                 | 40 mm                    |

Although every effort has been made to ensure accuracy in the compilation of the technical detail within this datasheet, specifications and performance data are constantly changing. Latest details can be obtained from the Electrium website.
